

HorseCapades 2024

Map

Please note: If you are taking the TTC to **HorseCapades** at the **Horse Palace**, take either the **509 Harbourfront Streetcar** or the **511 Bathurst Streetcar** (which end at the Exhibition Loop) as these routes are the closest to the **Horse Palace**. If you are taking the **29 Dufferin Bus** we offer a free shuttle service. Get off at Dufferin Loop on Exhibition Place's northwest side, then walk to our shuttle service stop (across the Fountain at the intersection of Princes' Blvd and Manitoba Drive) for the free shuttle service. Available Monday to Friday during the HorseCapades event. Please be mindful of the traffic located near the Bus Drop Off and as you walk through the CNE grounds. At this time, this area is a construction zone and has a high frequency of traffic. The CNE Casino is open from July 24 to September 2, 2024 (License No. PENDING).
